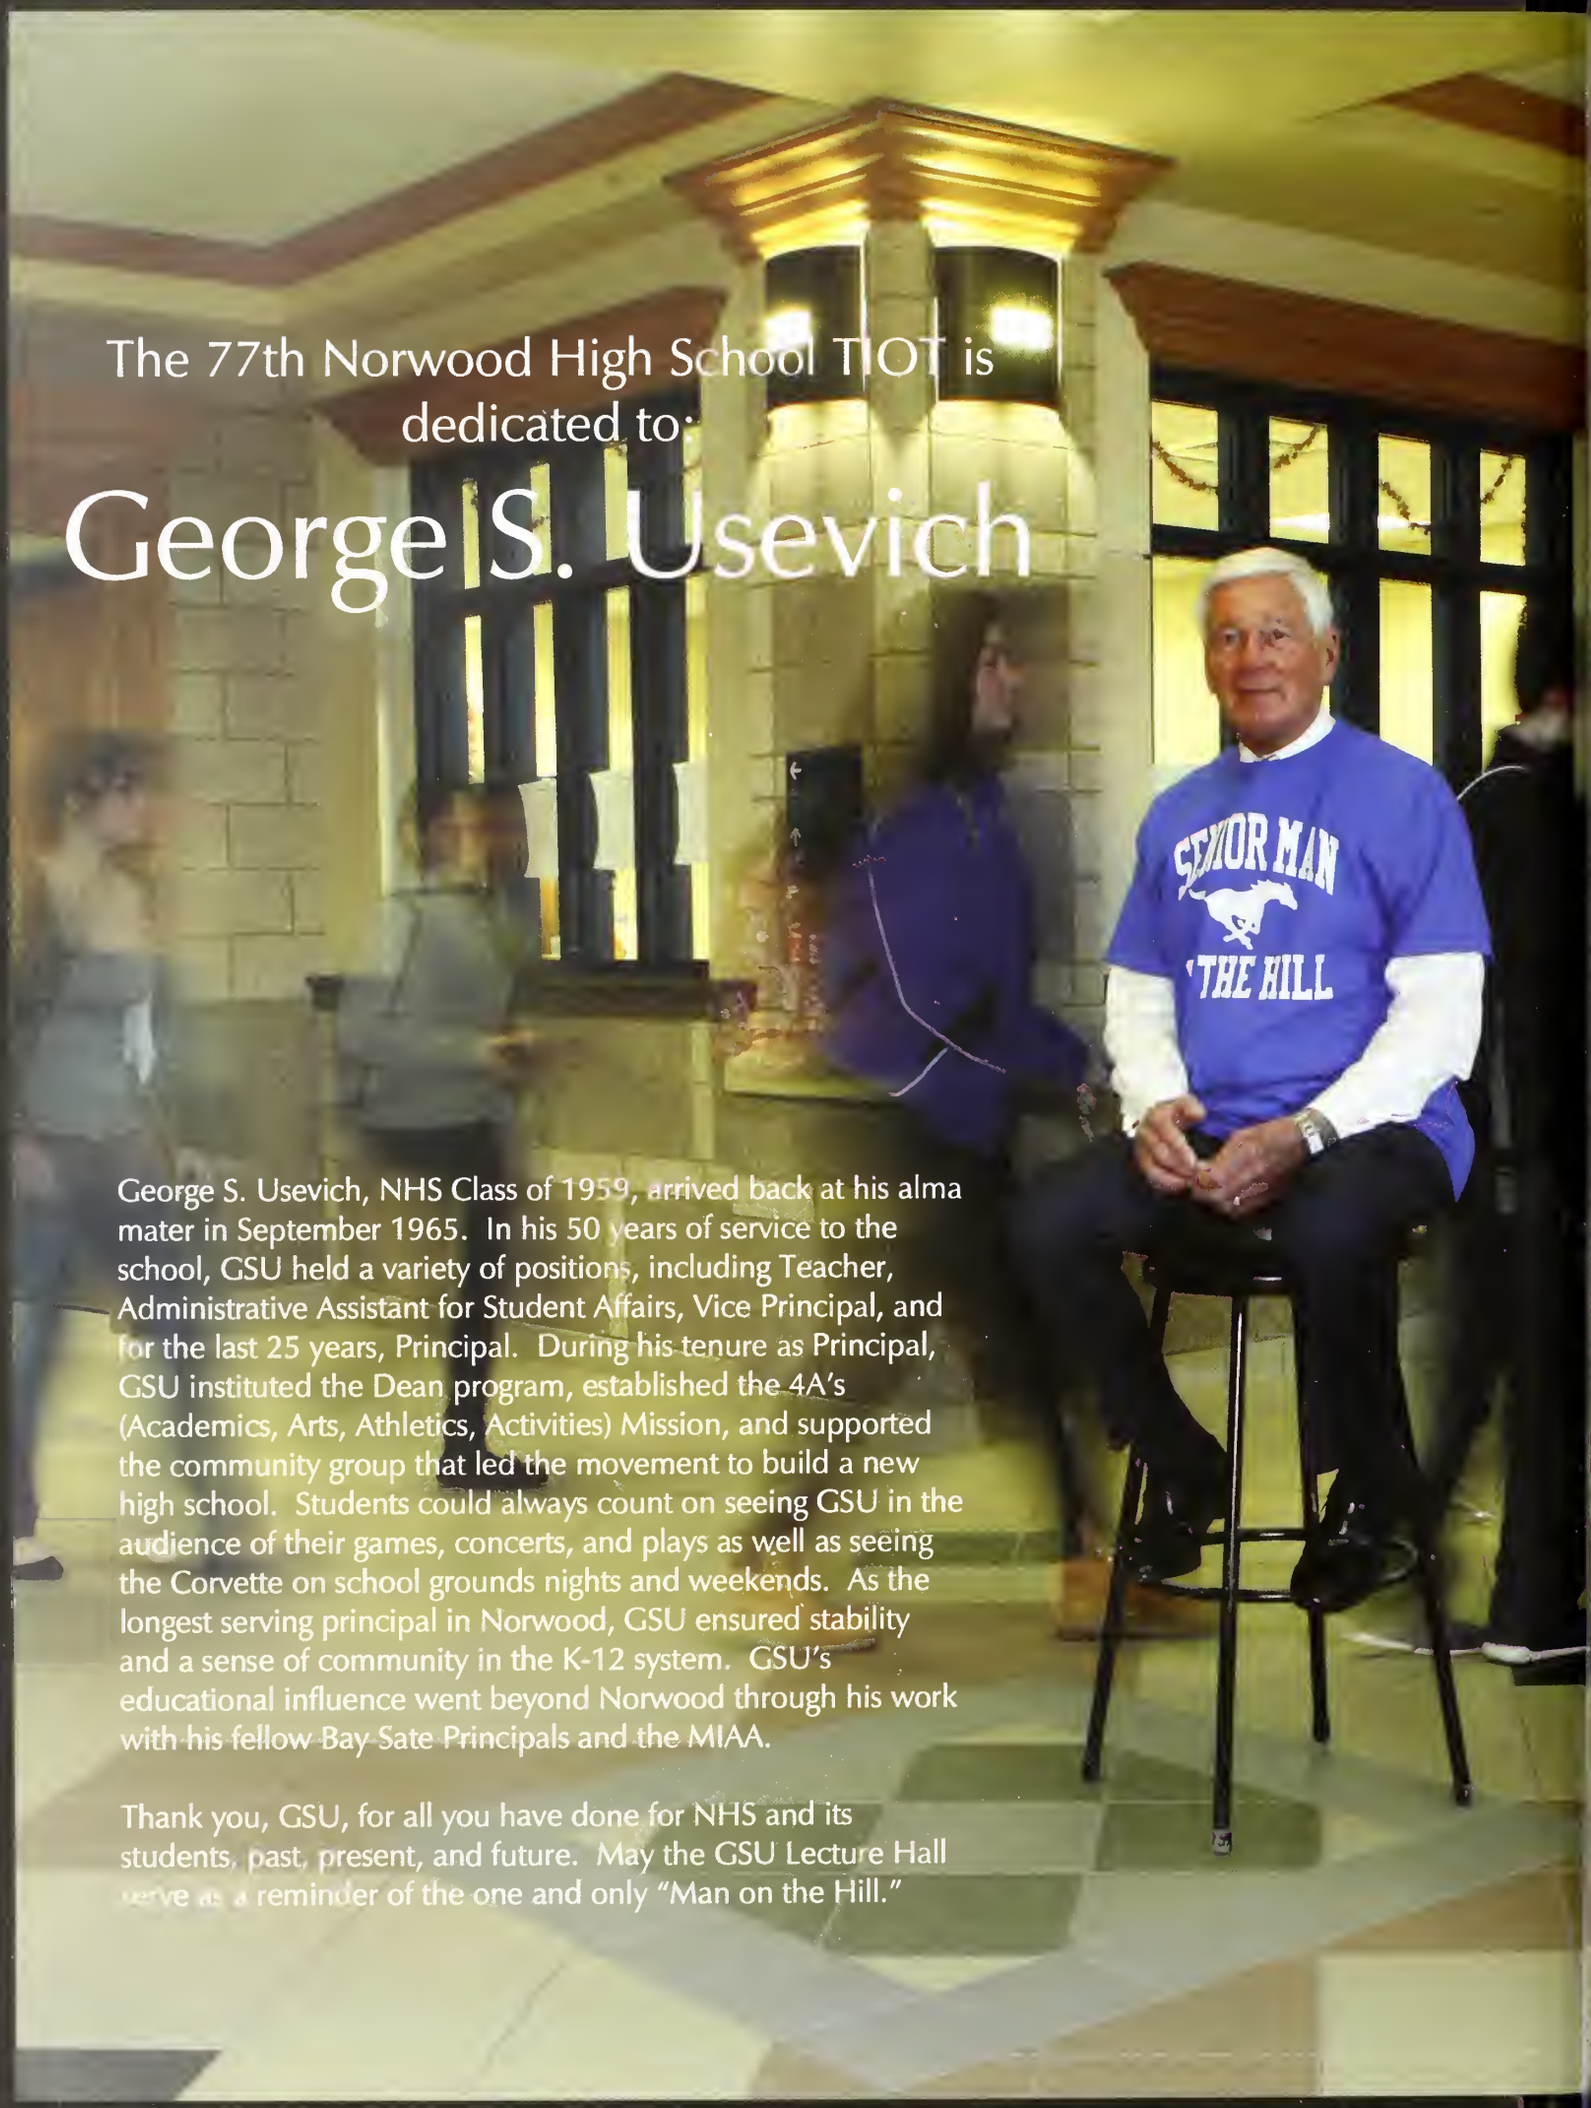
OF 2015

The 77th Norwood High School TIOT is dedicated to:

George S. Usevich



George S. Usevich, NHS Class of 1959, arrived back at his alma mater in September 1965. In his 50 years of service to the school, GSU held a variety of positions, including Teacher, Administrative Assistant for Student Affairs, Vice Principal, and for the last 25 years, Principal. During his tenure as Principal, GSU instituted the Dean program, established the 4A's (Academics, Arts, Athletics, Activities) Mission, and supported the community group that led the movement to build a new high school. Students could always count on seeing GSU in the audience of their games, concerts, and plays as well as seeing the Corvette on school grounds nights and weekends. As the longest serving principal in Norwood, GSU ensured stability and a sense of community in the K-12 system. GSU's educational influence went beyond Norwood through his work with his fellow Bay Sate Principals and the MIAA.

Thank you, GSU, for all you have done for NHS and its students, past, present, and future. May the GSU Lecture Hall serve as a reminder of the one and only "Man on the Hill."

GEORGE STEPHEN USEVICH "Use"
449 Pleasant Street
Student Council 3; Junior Prom Committee; Ticket Seller 3; Class Play Committee; Senior Musicale; Student Council Dance Committee; Honor Roll 2, 3.
Small but effervescent with excess energy . . . always talking and laughing . . . a proficient typist.

In Honor Of:

Mrs. Gail Weinstein

Gail Weinstein has been employed with the Norwood Public Schools since January 1977. She served at the central office administration level as a Title 1 secretary as well as an assistant bookkeeper. Her secretarial role in the schools began at the Balch Elementary School. She moved to the high school in 1985 to work with Principal John Piccirilli. When Mr. Piccirilli retired in 1990, Mrs. Weinstein became the familiar face in the principal's office as secretary to GSU. She has been in that role for the past 25 years.

Mrs. Weinstein has enjoyed her time at the high school and found it to be both rewarding and challenging. She has even seen some of her former Balch students graduate from 'the hill' and go on to become teachers in the system. We, the Class of 2015, thank her for her many contributions to our four years at NHS, especially those that make senior year so memorable.

Fernando Morales 1994-2015

"No complaints."

Fernando Morales, NHS Class of 2013 and Providence College 2018, was a varsity soccer player and captain, a National Art Honor Society president and aspiring photographer, a SADD officer, a TIOT staff member, Homecoming King, Prom King, recipient of the Golden Diploma, son of Esther and Albino Morales, brother to Isabel Morales (NHS Class of 2010), friend to all, and a cancer fighter. Diagnosed with Ewing's Sarcoma in March 2011 (and not only taking the MCAS but getting "Advanced" days after diagnosis), he fought the disease with characteristic charm, wearing a raccoon hat to treatment and around school, and decorating his crutches with penguin patterned duct tape. He was inspirational and optimistic, surrounding himself only with positive people, and even saying cancer "brought out the best in [him]." Indeed, he only enjoyed life more after the diagnosis. He traveled to Puerto Rico, Spain, England, and France, attended the London Olympics Opening Ceremony, and came to school as much as possible, making up work during the summers so he could graduate on time with his friends. His cancer also brought out the best in Norwood, who rallied to support him in various ways, from the boys basketball team holding a "Fernando's Fight" fundraiser in 2013, to organizing a Christmas Carol flash mob in December 2014, to bake sales and T-shirt sales in January 2015. He brought out the best in all of us, was beloved by all of us, and will never be forgotten.

Dean's Message

The question for each of you to settle is not what you would do if you had means, time, influence and educational advantages; the question is what you will do with the things you have? The moment you cease to dream or to bemoan the lack of opportunities and resolutely look the conditions in the face, and resolve to change them, you lay the corner-stone of a solid and honorable success.
-Hamilton Wright Mabie

Stay positive, believe in yourself, work hard, and make a difference.
Thank You and Good Luck, Class of 2015.

NHS-TV Productions

NHS Update is a morning news television show that broadcasts live every morning at 7:45. Our goal is to highlight current events and news, as well as entertain the audience with interactive segments. Members of the crew are motivated students from the advanced level television broadcast classes at Norwood High School.

Mustang Magazine is a monthly talk-show styled TV show produced by students from the NHS-TV program. Every edition features different hosts, graphics, and feature stories from around the school and community. Mustang Magazine broadcasts stories done by students in all levels of broadcast classes here at NHS.

Update After Dark is a live comedy show filmed in front of a studio audience during after school hours. Although UAD is only produced a few times a year, it is always a hit. Every episode features in-studio competitions, comedy skits, twitter trivia, musical performances, instagram contests, and it's ALL LIVE! You can always look forward to Halloween, Holiday, and Summer themed editions of Update After Dark.

The Thanksgiving Rally included performances from the cheerleaders, an ultra-competitive Turkey Toss, and a great impression of Mr. Sarianides. It was the perfect way to kick off Thanksgiving break, provided support for the football team's win the next day, and made the half day seem even shorter.
